Live Vocalist

“Vijay”

(As seen on tv)

Just my imagination, I feel good, Ain't no stopping us
Now, Heaven must be missing an angel, Love train,
Come on over to my place, More than a number,
Love really hurts without you, Under the broadwalk,
Rock the boat, my first my last my everything,
Be young - Be foolish, Sat night at the movies,
You to me are everything, Build me up buttercup,
Rock ya baby.....
